2. Introduction

- 2.1 The Seamen's Provident Fund Organisation is a statutory Body established under the SPF Act, 1966 (4 of 1966) and is functioning directly under control of Ministry of Shipping. Provident Fund contributions are deposited by various shipping companies / agents in terms of provisions of SPF Scheme, 1966. After making the obligatory payments to the members and their families, the accretions in the Fund including interest earned on various securities / bonds are invested as per pattern of investments notified by Ministry of Finance, Government of India from time to time for Non-Government Provident Funds.
- 2.2 The SPFO is an autonomous body under the Ministry of Shipping, Government of India. The main objective of the organization is to provide for the institution of a Provident Fund for seamen as old age retirement benefit and to their family members in the event of death of seamen members.
- 2.3 Seamen's Provident Fund Scheme, 1966, the first social security scheme for Indian Merchant Navy Seafarers, brought under statute by enactment of the Seaman's Provident Fund Act, 1966 (4 of 1966) was introduced retrospectively with effect from 1st July, 1964.
- 2.4 The Seamen's Provident Fund is vested in and administered by the Board of Trustees consisting of the Chairman and three representatives each of the Government, Employers and Employees. The Director General of Shipping is the ex-officio Chairman of the Board of Trustees and the Commissioner is the Chief Executive Officer and the Secretary to the Board.
- 2.5 This is a contributory provident fund and the employers are required to deposit the provident fund contributions recovered from the seamen employed by them along with their matching contributions to the SPFO within a month after the termination of each voyage. The prevailing rate of contribution is 12% of the basic wages; leave wages, fixed ship board allowance payable to the seamen. For delayed remittances of provident fund contributions, penal charges are levied. All monies belonging to the fund are invested in securities as per the pattern of Investment notified by the Ministry of Finance, Government of India, from time to time.
- 2.6 The organizational structure of the SPFO is as follows and is only a sketch:

2.7 The organization functions under the overall superintendence of the Board of Trustees (BoT), a tripartite body of three persons each representing employer, employees and Government, headed by the Hon'ble Chairman. The DGS, Ex-Officio is the Chairman of Board of Trustees. The Commissioner, SPFO is the secretary to the Board besides a Finance Sub-Committee and Audit Committee setup.

3. Terms of reference

- 3.1 Paragraph 44 of the Seamen's Provident Fund Scheme, 1966 provides that all monies pertaining to the fund are to be deposited in the State Bank of India or shall be invested subject to such directions as the government may from time to time given in the securities mentioned to in clauses (a) to (d) of Section 200 of the Indian Trusts Act, 1882 (2 of 1882) provided that such securities are repayable both in respect of capital and in respect of interest in India.
- 3.2 In order to ensure that the Seamen's Provident Fund Organisation (SPFO) is in a position to achieve the maximum possible rate of interest for its subscribers, it has to be ensured that the funds are invested properly and promptly to get the optimum return. The fund manager invests the SPFO funds in the financial instruments as per the prescribed investment pattern (section 10 of this RFP) supported by investment guidelines issued by SPFO from time to time. SPFO reserves its right to take appropriate action/decision in this regard including decision to terminate, which shall be binding on the Portfolio Manager
- 4.27 The Portfolio Manager must immediately inform the SPFO in writing, in case of any change/ proposed change in its holding structure during the process of selection or during the tenure of the Agreement. The SPFO reserves the right to take necessary action based on this information provided.
- 4.28 Ensure that the above duties and responsibilities are adhered to at all points of time. Breach of any above duties and responsibilities that the Portfolio Manager becomes aware of must be intimated to the SPFO in writing immediately. The Portfolio Manager should rectify the same within 30 days from the date on which the Portfolio Manager becomes aware of the breach or from the date of any written communication by SPFO about any such breach. Failure to do the same would result in a penalty, the maximum value of which will be equivalent to the PBG submitted by the concerned Portfolio Manager besides immediate termination and other remedies as available to SPFO under law. This penalty will be in addition to the PBG that has been submitted by the Portfolio Manager. Further, SPFO reserves the right to terminate the Agreement in case of breach of any of the above duties and responsibilities, after giving notice of sixty calendar days to the Portfolio Manager. The SPFO shall also remain the sole owner of the funds placed with the Portfolio Manager for the purpose of investment on its behalf.
- 4.29 The Portfolio Manager shall not borrow funds or securities of the debt portfolio on behalf of SPFO or lend or pledge, hypothecate, or create any similar encumbrance on the SPFO's securities in any manner whatsoever without the prior written approval of SPFO.
- 4.30 The SPFO shall have right to inspect all documents and accounts of Portfolio Manager relating to the SPFO's funds as and when it feels necessary to do so.

5. Proposed contract terms

5.1 Tenure of appointment

The appointment of the Portfolio Manager shall be on a discretionary basis for a period of two (2) years. At the end of two years the appointment stands terminated unless it is extended for further one year at the sole discretion of Board, depending on the satisfactory performance of the Portfolio Manager. Extension of tenure will be through an issue of letter from SPFO on existing terms of Agreement. The performance of the Portfolio Manager shall be reviewed on a regular basis.

5.2 Duties and responsibilities of the Portfolio Manager

The Portfolio Manager should adhere to the duties and responsibilities given in section 4 of this RFP document.

5.3 Custodial and fund accounting services

The SPFO will be responsible for the appointment of Custodian of Securities for SPFO's fund. SPFO will bear all the necessary charges and fees for the custodial and fund accounting services.

5.4 Performance bank guarantee

The successful Bidder must, at its own expense, deposit with the SPFO, within fifteen (15) working days of the date of notice of award of the contract or two (2) working days prior to signing of the contract, whichever is earlier, an unconditional and irrevocable performance bank guarantee (PBG) from a nationalised bank acceptable to the SPFO, payable on demand, for the due performance and fulfilment of the contract by the Bidder. The quantum of the PBG would be Rs 10 lakh (Rs ten lakh only).

5.4.1 All incidental charges whatsoever such as premium, commission, etc. with respect to the PBG shall be borne by the Bidder. The PBG shall be valid till 180 days after the completion of the tenure of the appointment including extensions, if any.

5.4.2 In the event of the Bidder is in breach of any terms of the contract or conditions laid under this RFP or is unable to service the contract for whatever reason (including but not limited due to termination on account of clause 5.8), which in the opinion of the SPFO is due to circumstances within the Bidder's control, the SPFO may invoke the PBG. Notwithstanding and without prejudice to any rights whatsoever of the SPFO under the contract in the matter, the proceeds of the PBG shall be payable to the SPFO as compensation for the Bidder's failure to perform/comply with its obligations under the contract

5.5 Before invoking the PBG, the SPFO will give a notice of 15 days to the Bidder indicating the contractual obligation(s) for which the Bidder is in default and give an opportunity to represent before the SPFO. The decision of the SPFO on the representation given by the Bidder will be final and binding

5.6 Review of performance

The SPFO will follow a process of periodic review of the performance of the Portfolio Manager. Such review will be carried out on a quarterly basis and as and when required by SPFO on a case to case basis.

5.7 Verification of information/data and documents

SPFO reserves the right to verify all statements, undertakings, information/data and documents submitted by the Bidder in response to RFP and the Bidder shall, when so required by SPFO, make available all such information, evidence and documents as may be felt necessary by SPFO for such verification. Any such verification, or lack of such verification, by SPFO shall not relieve the Bidder of its obligations or liabilities hereunder nor will it affect any

rights of SPFO thereunder. Further SPFO reserves the right to call for an auditor's certificate related to any information/data provided during the selection process. The Bidder must be able to provide the above required data to SPFO within the stipulated timeline as per SPFO's requirement.

5.8 Conditions of termination

5.8.1 The SPFO has the right to terminate the appointment of the Portfolio Manager under the following circumstances:

5.8.1.1 The Portfolio Manager is in breach or contravenes the conditions/clauses as specified in the RFP/Agreement with the SPFO;

5.8.1.2 Any representation, undertaking contained, documents, report, statement relating to this RFP/Agreement with SPFO or furnished by the Portfolio Manager under or pursuant to this RFP/Agreement with SPFO are untrue, incomplete, inaccurate and/or incorrect in any respect and any material fact has not been disclosed;

5.8.1.3 If the Portfolio Manager ceases to be eligible to render its services under the regulations including but not limited to suspension or termination of the registration granted to the Portfolio Manager by SEBI and/or any competent authority.

5.8.1.4 Liquidation, dissolution, winding up of the Portfolio Manager under the provisions of Insolvency and Bankruptcy Code.

5.8.1.5 The Portfolio Manager or its Holding Company or their Directors or key personnel in office or any of its Subsidiary Company or any of its Associate Company have been found guilty of moral turpitude or convicted of any economic offence or violation of any financial sector laws;

5.8.1.6 The Portfolio Manager is unable to perform the duties and responsibilities as specified in the Agreement with SPFO;

5.8.1.7 If in the SPFO's opinion, the performance of the Portfolio Manager is not satisfactory;

5.8.1.8 If any false declaration or misrepresentation of any information/data or document relating to the RFP or the selection process is found

5.8.2 For any other reason that SPFO may deem fit, by giving a 60-days notice in writing to the Portfolio Manager.

5.9 Process for transfer of assets in case of termination

5.9.1 It shall be the duty of the Portfolio Manager to ensure that it transfers all assets at the end of the completion of its tenure as Portfolio Manager or termination of the contract, whichever is earlier, as directed by the SPFO.

5.9.2 The Portfolio Manager shall provide all the necessary support in ensuring smooth transfer of all the funds. It shall also ensure the transfer of all the relevant documents/ records/ information in accordance with the directions issued by the SPFO.

5.9.3 Any form of non-support or non-cooperation or obstructions from the Portfolio Manager shall amount to non-performance by the Portfolio Manager. The SPFO reserves the right to invoke the PBG and / or take legal action against the Portfolio Manager in such cases.

5.9.4 In case of termination due to any reason (including any legal action) except force majeure, all the expenses incurred in the process of transferring the assets of the Portfolio Manager will be borne by it.

5.9.5 For any delay in transfer of assets/ funds consequent to termination due to any reason (including any legal action) except force majeure, interest at the rate of the highest yielding security purchased during the tenor of appointment would be payable to SPFO by the Portfolio Manager for the period of delay. Delay will be counted from the next bank working day after date of termination of the Portfolio Manager.

5.10 Investment of the existing SPFO funds

The newly appointed Portfolio Manager would have the responsibility and discretion to invest the incremental accruals to the SPFO's funds which would be allocated to them by the SPFO. In addition, the Portfolio Manager will be allocated the entire legacy portfolio of the SPFO as is managed by the current Portfolio Manager. The existing guidelines require investments to be held till maturity (unless there are call / put options or related features in the instrument). All premature redemptions (which includes decision on instruments with call / put options) would be subject to financial viability and must be permitted by the investment guidelines for the SPFO's funds. The same is subject to changes based on the notifications issued by the Government of India and/or decisions by SPFO as the case may be from time to time.

5.11 Payment Schedule

The Fee/charges payable to the Portfolio Manager for debt investments would be paid on the fresh investments made during the quarter and settled on a quarter end basis. However, this time frame is indicative and would be finalized mutually between the SPFO and the successful Bidder.

For debt investments, the fee shall be paid on the face value of fresh investments made during the quarter. Further, for investments in debt portfolio, no fees would be payable on reinvestments made out of redemptions/ maturities of any investments made by the Portfolio Manager during the period of its contract with SPFO.

5.12 Confidentiality

The Selected Bidder and its personnel shall not, either during the term or after expiration of this contract, disclose any proprietary or confidential information relating to the services, contract or operations without the prior written consent of SPFO.

5.13 Indemnity

The Portfolio Manager hereby agrees to indemnify and keep SPFO indemnified from and against any financial loss (including counsel fee) or damage caused to SPFO arising out of misrepresentation, negligence, misconduct and /or misdemeanour or any breach of applicable laws or the provision of this RFP/Agreement with SPFO on part of Portfolio Manager or any of its employees/agents/sub-agents etc.

5.14 Non-Assignment

No assignment, sub-contracting or consortium is permissible.

5.15 Governing law and Dispute Resolution

In event of any dispute or difference between the parties hereto, such disputes or differences shall be resolved amicably by mutual consultation. If such resolution is not possible, then the unresolved dispute or difference shall be referred to arbitration of the sole arbitrator to be appointed by the SPFO. The provision of Arbitration and Conciliation Act 1996 (No. 26 of 1996) shall be applicable to the arbitration. The venue of such arbitration shall be at Mumbai or any other place, as may be decided by the arbitrator. The language of arbitration proceedings shall be English. The arbitrator shall make a reasoned award (the "Award"), which shall be final and binding on the parties. The cost of arbitration shall be shared equally by the parties to the agreement. However, expenses incurred by each party in

connection with the preparation, presentation shall be borne by the party itself. Pending the submission of and/or decision on dispute, difference or claim or until the arbitral award is published; the parties shall continue to perform all their obligations under this RFP/Agreement with SPFO without prejudice to a final adjustment in accordance with such award. Dispute, if any, shall be subjected to jurisdiction of court in Mumbai only.

- 5.16 SPFO reserves the right to reject any proposal in case it is of the opinion that the Bidder has not followed the RFP process and procedure in the true spirit of the word.
- 5.17 The above clauses are not exhaustive. Further contract terms and detailed Agreement will be shared by SPFO post the selection process, which shall be binding upon the Portfolio Manager.
- 5.18 Refer section 9.8 for the format of Performance Bank Guarantee

7.2 Technical evaluation parameters

The following table outlines the broad parameters based on which evaluation of technical proposals of the Bidders shall be carried out by the SPFO

Parameter	Measurement Criteria	Supporting Document	Weight
Experience in managing Long Term Debt funds or Retirement Funds of non-owned funds	No. of years of past experience	Refer section 8.3.1	15 per cent
Aggregate Assets Under Management (AUM) of Long Term Debt Funds and Retirement Funds (non owned funds)	Average of total AUM of Long Term Debt Funds and Retirement Funds managed (non-owned funds) at each quarter end between January 2015 and December 2019 (20 quarters)	Refer section 8.3.2	20 per cent
Performance of Mark to Market (MTM) and Held till Maturity (HTM) portfolios of non-owned funds	Asset-weighted returns of MTM and HTM portfolios (non-owned funds) at each quarter end between January 2015 and December 2019 (20 quarters)	Refer section 8.3.3 & 8.3.4	55 per cent
Ratio of Defaulted Investment [^] to total quarterly average AUM	Ratio of total value of investments that defaulted to the total of quarterly average AUM at each quarter end between January 2015 and December 2019 (20 quarters)	Refer section 8.3.5	10 per cent
Total			100 per cent

For Asset Under Management book value (net of any provisions or write-offs) should be used for HTM portfolios and market value should be used for MTM portfolios

Refer to Glossary & Definitions section for definitions of Long Term Debt Funds, Retirement Funds and Defaulted Investment

[^] *Defaulted Investments must be considered before any provisioning or write-offs.*

NOTE: *For the purpose of evaluation of performance of MTM and HTM portfolios, only non-owned funds would be considered. The following cases may arise for any of the Bidders:*

Case 1: *Portfolio Manager has only HTM portfolios – in this case the performance evaluation would be based on the asset weighted purchase yield for all HTM portfolios*

Case 2: *Portfolio Manager has only MTM portfolios – in this case the performance evaluation would be based on the asset weighted point-to-point returns for all MTM portfolios*

Case 3: *Portfolio Manager has both HTM and MTM portfolios – in this case the scaled scores of asset weighted purchase yield for all HTM portfolios and asset weighted point-to-point returns for all MTM portfolios, would be weighed by average of quarterly average assets under HTM and MTM portfolios respectively during 20 quarters ending March 2015 to December 2019*

7.2.1 Evaluation and scoring process (please note that the numbers used in this section are for illustrative purpose only)

a. Technical bid evaluation

Table 1 (Overall scoring framework for technical bids)

	Experience in managing Long Term Debt Funds or Retirement Funds of non- owned funds (in years)	Aggregate AUM of Long Term Debt Funds and Retirement Funds (non-owned funds) (Rs cr)	Performance of Mark to Market (MTM) and Held till Maturity (HTM) portfolios of non-owned funds (%)	Ratio of Defaulted Investment to total quarterly average AUM
Parametric Weights	15%	20%	55%	10%
Basis for parametric evaluation	More than 20 years: 100 More than 15 years to <= 20 years: 75 More than 5 years to <= 15 years: 50	>= 10,000 cr: 100 Below 10,000 cr: (AUM/10,000)*100	Returns for MTM and HTM portfolios will be calculated separately. Annualized quarterly average returns on a one-year rolling basis will be calculated from March 2015 to December 2019 for HTM and MTM portfolios. These values will be normalized and asset weighted values of MTM and HTM will be used for evaluation.	Scaled to minimum value amongst qualified Bidders. Score of lowest value = 100, others scored proportionately

Table 2 (scores of Experience in managing Long Term Debt Funds or Retirement Funds of non- owned funds)

		A
Bidder 1	22	100
Bidder 2	7	50
Bidder 3	18	75
Bidder 4	9	50
Bidder 5	21	100

Bidders 1 and 5 have more than 20 years of experience and hence both get the best score of 100, Bidders 2 and 4 will get a score of 50 since their experience lies between 7 years and 15 years and so on.

Bidder 4	11000	100
Bidder 5	4500	45

*Bidder 1,3 and 4 have more than 10,000 cr and hence will get the best score of 100, Bidder 2 gets a score of 10=(1000/10,000)*100*

Bidder 5	2500	2000	61.54	66.53	63.76	100.00
Maximum					63.76	

* $51.09 = (5000*56.32 + 5500*46.34) / (5000 + 5500)$

[@] The final score is arrived by scaling the AUM weighted score to the maximum i.e. here, $80.14 = (51.09 / 63.76) * 100$; $83.52 = (53.25 / 63.76) * 100$ and so on.

Bidder 5	2500	2000	0.0008	0.0012	0.0010	90
Minimum					0.0009	

* $0.0009 = (5000*0.00085 + 5500*0.00095) / (5000 + 5500)$

[@] The final score is arrived by scaling the AUM weighted score to the minimum. Here the minimum value is 0.0009 hence for Bidder 1, $100 = (0.0009 / 0.0009) * 100$; for Bidder 2, $36 = (0.0009 / 0.0025) * 100$ and so on.

Note: In case the minimum value of the ratio is 0 (zero) for at least one of the Bidders, the scoring will be based on the formula $(1 - \text{Bidder's value}/\text{maximum value}) * 100$. For e.g. if any Bidder has a default ratio of 0.002 and the maximum default ratio among all Bidders is 0.008, then the score for the Bidder will be $75 = \{(1 - (0.002/0.008)) * 100\}$.

b. Financial bid evaluation

Table 7 (Financial bid evaluation)

	Financial bid	Scaled score of financial bid
		F
Bidder 1	0.0061%	100.00 [^]

Bidder 4	0.0063%	96.83
Bidder 5	0.0064%	95.31
Minimum	0.0061%	

Only Bidders with a minimum score of 60 in technical evaluation would be considered for the final evaluation. Hence, Bidder 2 will not be eligible for financial bid opening.

The scaled scores for bids are arrived by scaling the values to the minimum value. The minimum bid is 0.0061% hence for Bidder 1, 100 = (0.0061%/0.0061%)*100, for Bidder 2 98.39 = (0.0061%/0.0062%)*100

@Value derived from table 6 of section 7.2.1 above

* Value derived from table 7 of section 7.2.1 above

Note -. In arriving at the final score, the scores for each Bidder on the Technical and Financial Bids are calculated separately. The scores for each Bidder are scaled relative to the best score on Technical and Financial Bids.

E.g. In this case, the maximum score of Technical Bid is 89.08. Bidder 1 would therefore have the highest score of 100 and the scores of all other Bidders would be calculated relative to the best score. Bidder 3, for instance would have a score of 85.82 = (76.45/89.08) * 100.

The final score would be the weighted score of technical and financial bids. The Technical and Financial Bids would have a weight of 80% and 20% respectively.

[^]Working for Bidder 3 (G) = (80%*85.82+20%*98.39) =88.33

8.4 Financial bid

8.4.1 Format for submitting financial bids

Provide the financial bid in the following format in the excel named "Financial Bid Data" tab named "Financial Bid". The Bidders must upload the breakup of the below table in pdf format in addition to the data in excel.

Charges	Percentage (%) In figures (excluding tax)	Percentage (%) in Words (excluding tax)
A. Investment Management Fee expressed as per cent of the investments (excluding reinvestment of maturity proceeds of the investment made by the Portfolio Manager during the period of its current appointment) made by the Portfolio Manager.		

Please note that if there is an inconsistency in the value of financial bid as expressed in words and figures, the minimum value of the two will be considered for evaluation.

8.4.2 Illustration and other conditions of financial bid

- 8.4.2.1 For example, if a newly selected Portfolio Manager is allocated a sum of Rs. 10,000 crore (= A) from new inflows; and allocated from the existing fund managed by the current Portfolio Manager say Rs. 30,000 crore (= B); and out of the latter the newly selected Portfolio Manager is able to get Rs. 8,000 crore (= C) through redemptions, interest flows, etc, which it would then invest appropriately; the investment management fee will be calculated on a sum of Rs. 18,000 crore (D = A + C) and not on Rs. 40,000 crore (E = A + B). It is to be noted that reinvestment of maturity proceeds of the investments made by the Portfolio Manager during the period of their current appointment will not be eligible for fees payment.
- 8.4.2.2 For debt investments, the fee shall be paid on the face value of fresh investments made during the quarter. Further, for investments in debt portfolio, no fees would be payable on reinvestments made out of redemptions/ maturities of any investments made by the Portfolio Manager during the period of the current contract.
- 8.4.3 There will be no separate fee payable for transaction costs like brokerage etc
- 8.4.4 Any statutory charges attributable to SPFO's funds will be borne by SPFO
- 8.4.5 The fee quoted should be unconditional and inclusive of the expenditure to be incurred on the work mentioned in section 4 of the RFP.
- 8.4.6 Taxes applicable on the services (GST) rendered by the Portfolio Manager will only be reimbursed by SPFO on producing the supporting documents.
- 8.4.7 If idle funds exceed an amount of Rs. 5,00,000/- for a period of more than two working days, the Portfolio Manager would have to reimburse the SPFO to the extent of State Bank of India's savings bank deposit rate + 4 per cent for the appropriate number of days. The starting date for the calculation of idle funds will be the following date on which the fund moves into the account. The deal date will not be counted for the calculation of idle funds.
- 8.4.7.1 For example, if the number of working days for which funds are idle is 5 working days and the savings bank deposit rate is 4 per cent, the reimbursement to the SPFO would be at the rate of 8 per cent for a period of 3 days.
